6.0 OBJECTIVES

To ensure that students receive the support services and benefits necessary for successful participation in the Job Corps program.

To establish uniform systems to account for and document the participation and achievement of program participants.

6.1 STUDENT ATTENDANCE, LEAVE, AND ABSENCES

PURPOSE

- P1. To establish a uniform system to account for and document the whereabouts and participation of students during their Job Corps enrollment.
- P2. To establish criteria and systems to grant leave to students during their Job Corps enrollment.
- P3. To establish a uniform system to report and respond to unauthorized student absences.

REQUIREMENTS

R1. Student Attendance

Centers shall:

- a. Establish and implement an effective system to account for and document the daily whereabouts, participation, and status of students during their Job Corps enrollment. The system must enable center staff to detect and respond to instances of unauthorized or unexplained student absence. The system must include the following elements:
 1. Conduct a morning attendance check no later than one hour after a student's scheduled training day start time to establish present-for-duty status for all students. Documentation shall be authenticated by the signature of a staff member on the morning attendance check form.
 2. Maintain attendance records for all scheduled career development activities, including both on- and off-center academic and career technical training (CTT) classes, group activities, and off-center trips.
 3. Develop a procedure to document student arrivals and departures from the campus. Departure records shall indicate student destination, and estimated and actual time of return.
 4. Conduct, at a minimum, two bed checks each night for residential students.
 5. Develop a process for new enrollees, transfer students, nonresidential students, and students returning from off-center status, to sign in immediately upon their arrival on center.
- b. Report each student's duty status in the Center Information System (CIS) using the guidelines shown in Exhibit 6-1, Duty/Pay/Leave Status Chart, and the procedures stated in the CIS documentation.
- c. Document each pay/leave status change and the reason for such change in CIS.
- d. Maintain documentation of duty status for a minimum of three years.
- e. Establish and implement a system to encourage and promote regular attendance and identify and remediate chronic absences, missed appointments, and tardiness.

- f. Monitor and document student attendance at off-center training activities, including work-based learning, off-center training (OCT), advanced career training (ACT), and other center-sponsored events.

R2. Authorized Absences

Centers shall:

- a. Designate, in writing, staff members who are authorized to approve student leave and passes.
- b. Grant breaks and leave to students based on the criteria shown in Exhibit 6-1.
Note: Leave shall not be granted as a means of artificially postponing the student's separation.
- c. Approve leave or overnight passes for minor students only with the written consent of the minor's parent or legal guardian. Pass consents must include, at a minimum, information specified on the Job Corps Parental Consent Form (see the forms.jobcorps.org website).
- d. Document all leave requested by students on a CIS leave request form. Each automated leave request form shall include justification, as appropriate, for the type of leave requested.
- e. Authorize overnight passes with the following restrictions:
 1. Only for periods that do not conflict with scheduled classes unless an accommodation for a class schedule adjustment is approved for a student with a disability.
 2. For minors, only to destinations authorized by written parental consent.
- f. Report and maintain electronic copies of leave requests in CIS according to procedures shown in the CIS documentation and retain any supporting hard-copy verification documentation in the student's personnel file. Verification obtained from phone calls will be documented on the CIS leave form and will include: name of contact person, title, phone number, date of contact, and name and address of the facility.

R3. Unauthorized Absences

Centers shall:

- a. Identify and report as Absent Without Leave (AWOL) any student who fails to return or report:
 - i. Within two hours after the student's required attendance time, whether on or off center (*e.g.*, the start of a training day), or
 - ii. Within one hour after the expiration of an off-center pass, the end of an off-center activity, or the end of the training day.

The AWOL of minor students should be reported to the center records department, center management and regional office immediately after it is confirmed.

- b. If a student who was identified and reported as AWOL contacts the center with a credible and verifiable explanation, the student's status may be changed to the appropriate leave category, effective the date of contact and receipt of documentation to support the status change.
- c. If a student who was identified and reported as AWOL returns to or reports to the center or off-center activity more than two hours after the student's required attendance time with no credible or verifiable explanation, the student remains in AWOL status for that day. The student may, however, participate in regularly scheduled activities for that day. The student's scheduled required attendance time and actual report time should be documented in CIS Case Notes, and a printout of the CIS Case Notes should be included in the student's personnel folder.
- d. A step-by-step Standard Operating Procedure (SOP) to locate and contact the AWOL student should be developed and implemented. At minimum, the procedures shall include staff notification to center managers and the Center Director, a center-wide search for the missing student, and discussions with staff and students on center as to the missing student's suspected whereabouts. The SOP should also detail both procedures for contacting the students' parent/guardian if the student is a minor and law enforcement reporting, as detailed in sections e. and f. below. A written investigative report should be developed, the investigation and retrieval efforts should be documented in CIS Case Notes, and a printout of the investigative report and CIS Case Notes should be included in the student's personnel folder.
- e. In the event that an adult student (*i.e.*, 18 or older) is considered AWOL, as described in section a, the center shall initiate an investigation to verify the student's whereabouts, consistent with the SOP described in section d. If the investigation fails to identify the missing adult student's location, the center shall contact local law enforcement and adhere to their guidelines for reporting of missing persons. The center shall document all appropriate notifications and the result of the internal investigation in CIS Case Notes, and include a copy of the CIS case notes in the student's personnel folder.

Important note: if police find a missing adult student whose actions were voluntary, [they might not disclose where the person is](#) to the center unless the person gives permission. Filing a missing person report for an adult does not entitle the center to know where they are, only that they are safe.

- f. In the event that a minor student (*i.e.*, under 18) is considered AWOL, as described in section a, the center shall contact the parent/guardian immediately, to inform them of the absence. If the parent/legal guardian is unaware of the student's whereabouts, the center shall immediately report the missing minor to local law enforcement. The center must fully cooperate with law enforcement in locating the student, as well as

- conduct a thorough internal investigation to establish the whereabouts of the student consistent with the SOP described in section d, as long as it does not interfere with the law enforcement investigation. The center shall document the parent/guardian/police notification and the result of the internal investigation in CIS Case Notes, include a copy of the CIS case notes in the student's personnel folder, and follow the Significant Incident Reporting (SIR) Requirement as described in PRH 5.5. To supplement the SIR, the center shall provide a written detail of the center's retrieval efforts to the respective Regional Office. As soon as the students' whereabouts are known, the center shall begin regular AWOL retrieval efforts, as appropriate.
- g. Assist the student in arranging return transportation, at the student's request and expense.
 - h. Notify probation or parole officers, if applicable.

QUALITY INDICATORS

- Q1. Students can articulate the importance of regular attendance and understand the consequences of absences.
- Q2. Staff actions encourage, support, and enforce center attendance rules.
- Q3. The center's responsibility to safeguard minor students is achieved through granting leaves and passes in accordance with the limitations established by their parents/guardians.

6.2 STUDENT ALLOWANCES AND ALLOTMENTS

PURPOSE

- P1. To provide students with an allowance to defray the cost of incidental personal expenses while enrolled.
- P2. To establish a uniform system for issuing student personal allowances and transition allowances earned through participation and achievement.
- P3. To provide a means for Job Corps students to defray the costs of dependent care during enrollment.

REQUIREMENTS

R1. Allowances

Centers shall:

- a. Issue personal allowances to students in accordance with the procedures specified in Exhibit 6-2.
- b. Ensure the physical security and financial accountability of payroll funds pending disbursement to students.
- c. Notify all students upon enrollment that they shall receive allowances as follows:
 - 1. Paid biweekly, in cash, for all days in paid status in amounts specified in Exhibit 6-2.
 - 2. For re-enrolled students, paid at base allowance levels as if they were newly enrolled (including students with prior fraudulent enrollments).
 - 3. For reinstated and re-established students, paid at their previous base allowance levels.
 - 4. Increases in base allowance levels paid automatically as specified in Exhibit 6-2.
 - 5. Arrival pay in amounts as specified in Exhibit 6-2.

R2. Transition Allowances

- a. Outreach and Admissions (OA) contractors shall notify all applicants upon enrollment, and centers shall notify all students upon arrival, that they may become eligible, at the time of graduation, to receive a transition allowance as an incentive for attainment of academic credentials and those associate with career technical training, such as industry recognized credentials, as designated in Exhibit 6-2.
- b. At the time of graduation, students shall be notified that they must provide forwarding information to ensure proper delivery of the transition allowances.
- c. Students shall be notified that failure to cash a received transition allowance check or failure to report non-receipt of a check within 12 months of the date of separation will result in forfeiture of the payment.

- d. Students who re-enroll and subsequently graduate from the program are entitled to receive a transition allowance based on those academic and career technical training credentials obtained while enrolled in Job Corps according to the requirements stated in Exhibit 6-2, and are also entitled to the transportation benefits as shown in Exhibit 6-3.
- e. Centers shall disburse partial transition allowances to graduated students, at time of departure, as shown in Exhibit 6-2.

R3. *Allowances and Taxes*

- a. Advise students that personal allowances, transition allowances, and other benefits are subject to Federal payroll withholding and social security taxes, because students are considered federal employees for purposes of Federal payroll taxes.
- b. Ensure that an income tax withholding form (W-4 form) is completed for each new enrollee as required by the tax code.
- c. Ensure that wage and tax statements (W-2 forms) received by the center from the Job Corps Data Center (JCDC) are immediately distributed to all enrolled students or forwarded directly to separated students.

R4. *Advances and General Indebtedness*

- a. Centers may issue personal advances to students to help satisfy pressing financial obligation(s), such as court fine, bail bond, clothing, or other personal needs. Such advances shall not exceed \$250 at any given time. A personal advance may be issued only upon determination by the Center Director or designee that practical alternatives are not available to the student; failure to satisfy the financial obligation would unduly interfere with the student's successful enrollment in Job Corps; and there is a reasonable expectation that the student will be able to repay the advance. The JCDC will promptly reimburse a center for its disbursement of allowable personal advances to students.
- b. Centers shall ensure that the following instances of student indebtedness to Job Corps are promptly and accurately recorded in CIS and also documented and maintained in the student's personnel records. Items of student indebtedness that must be recorded in CIS include:
 - 1. Personal advance
 - 2. The cost of government-furnished travel needed by the student to return to the center from AWOL
 - 3. The cost of government-furnished travel based upon misrepresentation by the student
 - 4. Student's share of dependent's allotment
- c. Students shall repay their indebtedness to Job Corps. Repayment of indebtedness recorded in CIS shall be initiated through automatic payroll deductions from

personal allowances. In no case shall indebtedness deductions from personal allowances exceed 50 percent of the personal allowance. For students separating from the program prior to full reimbursement of indebtedness, the outstanding balance shall be collected automatically from any transition payment monies available at the time of separation.

- d. Centers shall recover Other Student Indebtedness as specified below and in R3.c. above.
 1. Reimbursement for lost or damaged government property, with total indebtedness against a student not to exceed \$500. Student reimbursement for property loss or damage shall not exceed 50 percent per pay period as a deduction against student's personal allowance. Center operators shall apply such student reimbursements as offsets to be credited to the contract or interagency agreement and used to repair and replace damaged property or for other allowable costs. Any balance remaining due from the student at time of separation may be deducted from any transition payment due to the student. Thereafter, any remaining balance due shall be treated as uncollectible.
 2. Center-imposed disciplinary fines may be collected from the student after the student receives his or her biweekly living allowance, not to exceed \$5 per pay period. Such fines shall be paid to the Student Benefit Fund. Disciplinary fines may not be collected from any source other than a student's biweekly living allowance.

R5. Allotments

Centers shall initiate allotments for those students who desire to make a support payment for dependents in accordance with Exhibit 6-2 and the following criteria:

- a. An allotment may be initiated by a student who has a child(ren) who draws substantial support from the student. The student must provide proof of dependency.
- b. Allotment amounts shall be matched by the government at five times the amount of the allotment. Students may contribute \$5 or \$10 initially, and then increase the amount to \$15, if they choose, after a minimum of 57 paid days in the Job Corps program.
- c. Allotments shall be paid according to procedures specified in Exhibit 6-2.
- d. Students shall be advised that the personal allowance and transition allowance will be reduced by the amount of their designated allotment(s).

QUALITY INDICATORS

- Q1. Students can explain the personal allowance system and the relationship of their achievements to the transition allowance they may receive at separation.
- Q2. Students understand what they must achieve to be eligible to receive a transition allowance.
- Q3. Students are aware of the requirements to avoid forfeiture of a transition allowance.

6.3 STUDENT RECORDS MANAGEMENT

PURPOSE

- P1. To ensure accurate documentation of the services provided, skills acquired, and benefits provided to students.

 - c. The full e-TAR will be permanently stored in the data warehouse. In addition, as a contingency measure, centers will keep a hard copy of the e-TAR summary page in the student permanent record file and credential attainment results (refer to Chapter 3, Section 3.2, R.6.b. and c.).

R5. *Confidentiality of Student Records*

Centers and Outreach and Admissions/Career Transition Services (OA/CTS) contractors shall safeguard and ensure the confidentiality of student personal information contained in records, as well as verbal and written communications, in accordance with federal, state, and local law, and as specified in Appendix 601 (Student Rights to Privacy and Disclosure of Information) and Appendix 607 (Transmission, Storage, and Confidentiality of Medical, Health, and Disability-Related Information).

R6. *Access to Student Records*

QUALITY INDICATORS

- Q1. Students and staff understand and respect confidentiality of student information.
- Q2. Requests for information are responded to in a timely and professional manner.
- Q3. Student records accurately identify and document student progress and achievement.

6.4 STUDENT ENROLLMENTS, TRANSFERS, AND SEPARATIONS

PURPOSE

- P1. To establish a uniform system that enables centers to enroll new students and account for the transfer of students from one Job Corps center to another.
- P2. To establish criteria for the transfer of students between centers.
- P3. To establish a standard system that clearly defines the types of separation codes to be used for recordkeeping and data processing at the end of a student's enrollment in the program.

REQUIREMENTS

R1. Enrollments

Centers shall:

- a. Accept for enrollment all assigned new or transfer students who arrive at the designated arrival point or who report to the center. Students who depart for the assigned center on government-furnished transportation and do not reach the center are not considered arrivals.
- b. Upon arrival, enroll the student by creating a student record in CIS in accordance with procedures in the CIS documentation. The enrollment date is the scheduled date of departure, provided that the student followed his or her travel itinerary. If the student intentionally changed the itinerary, the date of enrollment shall be the date of arrival on center.

R2. Transfers

Centers shall:

- a. By mutual agreement with another center and with notification of the Regional Office, arrange for the transfer of a student, including travel arrangements, if the student meets one or more of the following conditions:

- b. The transferring center remains accountable for the student until the day he or she arrives at the receiving center.
- c. If student is receiving or has received medical services, including mental health, oral health, and TEAP, the transferring center will provide a legible or typed summary note on student's current status, medication, and treatment compliance

- d. Original centers must provide student files to the receiving center in the case of readmitted students.

R3. Enrollment Extensions

A student may remain enrolled in the Job Corps for no more than two years, except in the following circumstances:

- a. An enrollment extension may be granted for a period not to exceed one additional calendar year in order for a student to complete an advanced career training;

- c. An enrollment extension may be granted to a student who participates in national service by providing assistance in addressing national, State, and local disasters, as authorized by a Civilian Conservation Center (CCC) program per Chapter 6, for the amount of time equality to the period of national service.
- d. Center may request Regional Office approval to extend a student's 2-year enrollment limit for up to 6 months in order for the student to qualify for graduation. If approved, centers must maintain documentation of the approval in the student's personnel folder.

R4. Separations

- a. Centers shall establish an orderly system to process students separating from the Job Corps program that includes at a minimum:
 - 1. Updating all student accomplishments in CIS, including attainment of High School Equivalency (HSE), High School Diploma (HSD), and/or career technical completion.

 8. Notification and transmission of student separation data to the Job Corps Data Center within two working days of the student's separation, in accordance with procedures in the CIS documentation.
 9. Verification and update of student address and alternate contacts.
- b. Each student's separation status and eligibility for career transition services shall be determined automatically by CIS based upon data entered regarding the student's accomplishments while enrolled, and in accordance with criteria shown in Chapter 4, Section 4.2, Eligibility for Services.
- c. Centers shall enter separation codes for students in accordance with the following definitions and separation codes listed in the CIS documentation:
1. Orderly Separation – Student has separated as scheduled and none of the following codes apply.
 2. Maximum Benefits Separation – Formal determination has been reached through the student performance evaluation process and approved by the Regional Director that the student has achieved as much benefit from the Job Corps program as his or her abilities will allow. See Appendix 608 (Maximum Benefits Separation).
 3. Resignation Separation – Student freely decides to quit Job Corps. Resignations must be accepted at any time a student requests unless he or she is pursuing it as a means of avoiding a disciplinary discharge. Students in AWOL status may not resign unless they return to center, or the student's duty status is changed from AWOL to another leave status in accordance with criteria enumerated in Exhibit 6-1.
 4. Disciplinary Separation – Student has committed a behavioral infraction or has an accumulation of behavioral infractions of such gravity that it disqualifies him or her from further enrollment in Job Corps.
 5. Medical Separation – Student is no longer able to participate in Job Corps due to medical (including pregnancy-related conditions), dental, substance use, or mental health reasons; documentation of the student's medical condition must be provided. If at the time of medical separation, the student is determined to be eligible for reinstatement once the medical condition is resolved, the student is then separated as a Medical Separation

- With Reinstatement rights (MSWR), and may be reinstated within 180 days. See PRH 6.12 R11(c) and (g).
6. Withdrawal of Parental Consent Separation – The legally responsible parent/guardian withdraws permission/consent for enrollment of a minor student. The center must verify and document that the requesting parent has legal responsibility for the student.
 7. Death Separation – Student dies while enrolled in Job Corps.
 8. Fraudulent Enrollment Separation – A determination has been reached, with the approval of the Regional Director or designee, that the student was ineligible for enrollment or that he or she became enrolled as the result of a significant screening error.
 9. Absent Without Leave (AWOL) Separation – A student is in AWOL status in excess of 6 consecutive training days, or 12 non-consecutive training days in a 6-month period. The effective date of separation is at three hours after the student’s scheduled training day start time on the seventh or 13th day of absence, as applicable. The winter break days are considered paid non-training days. For students in AWOL status at the onset of the break, the count of AWOL days will be suspended and will resume on the first training day following the break. Note: If a student in AWOL status for 6 consecutive training days or 12 non-consecutive training days in a 6-month period, reports on the seventh or 13th day (as applicable) within three hours of their scheduled training day start time, the student will not be separated as AWOL.
 10. Administrative Separation With Reinstatement (ASWR) – For temporary or anticipated long-term center closure when designated by the Regional or Office of Job Corps, and for students who are called to active military duty and must temporarily suspend their participation in Job Corps.
 11. Withdraw HIPAA Consent – If the student or parent/legal guardian of a minor student revokes the HIPAA consent.

R5. Re-enrollments

Centers shall effect reinstatements or re-establishments of students according to the following:

- a. Reinstatement shall be used to expedite the return to active participation of a student who was separated for medical reasons with reinstatement rights (MSWR) or administrative separation with reinstatement rights (ASWR). Reinstatement is a resumption of the previous enrollment, not a new enrollment. Reinstatement is effective the date the student physically reports back to the center. To qualify for reinstatement under MSWR, the student must:
 1. Return within 180 days from separation date.

2. Provide documentation showing resolution of the medical condition (including medical, mental health, oral health, alcohol, or drug abuse conditions) and ability to participate in the program.

To qualify for reinstatement under ASWR, the student must:

1. Return within 12 months from separation date.
 2. Provide appropriate military documentation, if the separation reason was a call to active military duty.
- b. Re-establishment shall be used, with approval from the Regional Office, to return to active participation a student who:
1. Received disciplinary discharges that were overturned by the Regional Office.
 2. Was separated due to arrest for a felony or misdemeanor charge and was later exonerated.
 3. Was separated because of clerical error.

Re-establishment is a resumption of the previous enrollment, not a new enrollment. Re-establishment is effective the date the student physically reports back to the center and must be documented in the student's personnel file. For re-established students who were separated because of clerical errors, the student will be retroactively placed on paid leave under the Not Present for Duty – Separation in Error leave type as indicated in Exhibit 6-1. For re-established students who were separated because of disciplinary charges or due to an arrest, the student will be retroactively placed in a Not Present for Duty – Disciplinary Overturn leave type, in either paid or unpaid status, as determined by the Regional Office.

- Q2. Students have input into meal planning.
- Q3. Students are satisfied with the center food service.

6.8 STUDENT CIVIL RIGHTS, INCLUDING RELIGIOUS RIGHTS, AND LEGAL SERVICES

PURPOSE

- P1. To ensure the protection of students' civil rights, including religious rights, and promote an environment free from discrimination and harassment.
- P2. To provide students with access to legal assistance.
- P3. To provide students with the opportunity to exercise their religious rights.

REQUIREMENTS

R1. Student Rights

- a. Centers and Outreach and Admissions/Career Transition Services (OA/CTS) contractors shall inform all applicants and students of their rights and protections regarding civil rights, including disability accommodations (see R2 below), sexual harassment (see R3 below), religious rights (see R4 below), and nondiscrimination (see Appendix 602). At a minimum, centers and contractors must provide applicants and students with the Equal Opportunity Notice set forth in 29 CFR 38.30 (see Exhibit 6-11). The Notice must be included in each student's file, and provided in alternate formats upon request to applicants and students with visual impairments. Where an alternate-format notice has been provided, a record that such a notice has been given must also be made a part of the student's file.
- b. Staff Training
Job Corps centers must ensure that all Job Corps center staff are fully apprised of, and annually trained in, requirements regarding civil rights, including religious rights. See Chapter 5, Exhibit 5-4.

R2. Disability Accommodations

- a. Accommodations for Applicants and Students With Disabilities
All applicants and students with disabilities must be provided the opportunity to request and receive reasonable accommodation in accordance with Section 188 of the Workforce Innovation and Opportunity Act of 2014, Section 504 of the Rehabilitation Act of 1973, and their implementing regulations. Guidelines for providing reasonable accommodation are outlined in Appendix 605 and on the Job Corps Disability Web site.
- b. Definition of Disability
For accommodation purposes, a disability is defined as a physical or mental impairment that substantially limits one or more of a person's major life activities.² Appendix 605 contains information explaining this definition, and

² Applicants and students who have a record of a disability, or who are regarded as having a disability, are protected from discrimination by federal disability nondiscrimination laws. However, the laws do not entitle these people to

related requirements, in detail. Whether a particular person has an impairment that satisfies this definition, and whether a specific accommodation is appropriate for a particular person, must be determined on a case-by-case basis by someone with appropriate expertise in the field.

R3. *Bullying and Sexual Harassment Training*

Centers shall provide students regular proactive education on bullying, sexual harassment, appropriate behavior, appropriate staff/student boundaries, and consequences.

R4. *Religious Activities / Treatment of Religious Organizations*

Job Corps places a high value on the right of students in Job Corps to exercise their religious freedom. As detailed in R4.a–h below, Job Corps centers are required to allow students to engage in religious activities on center.

In implementing this requirement, Job Corps centers must not discriminate among students on the basis of religion, religious belief, or lack thereof. Therefore, Job Corps centers must remain neutral in their treatment of various religions; must not require or, based on religion, prohibit participation by any student in religious activities; and must neither encourage students in, nor discourage students from, belief in religion generally, or in any particular religion.

a. **Respect for Religious Rights**

Job Corps centers must ensure that each student has the right to worship, or not worship, as he or she chooses.

b. **Religious Activities Permitted on Center**

1. Job Corps centers must permit students to express their views related to religion and to exercise their right to religious freedom. Job Corps centers must permit residents to engage in voluntary religious activities, including holding religious services, on center. Reasonable time, place, and manner restrictions may be imposed, however.
2. Job Corps centers must inform students about their rights to engage in religious activities on center. To the extent applicable, centers must also develop, and inform students about, procedures for scheduling (and monitoring, where appropriate) religious activities to ensure equitable allocation of space and other center resources. In preparing the calendar of recreational events and activities required by Chapter 3, Section 3.18 (Recreational and Leisure Time Activities), R1.a, centers must include those on-center religious services that are open to all students and/or supervised by Job Corps staff.

c. **Religious Accommodations**

the positive actions, such as reasonable accommodations, that must be provided to applicants and students with actual, current disabilities.

1. Centers must develop, and inform students how to access, procedures for requesting religious accommodations (for example, special diet or exemption from center activities or rules for religious reasons).
 2. If a center denies a request for a religious accommodation, the center must:
 - (a) Explain to the student the reason for the denial, and any appeal rights and procedures; and
 - (b) Create and keep a record describing the request, indicating that the request was denied and explaining the reason for the denial.
- d. **Transportation to Local Religious Facilities**
- Job Corps centers may provide students with transportation to and from local religious facilities. The decision whether to provide transportation to a particular facility must not be based on religion. However, Job Corps centers may impose reasonable time, place, and manner restrictions. For example, a Job Corps center may decide that it will provide transportation only to facilities that are located within a particular distance from the center. If Job Corps centers choose to provide transportation to religious facilities, these centers must develop, and inform students about, procedures for requesting such transportation. Note: Providing such transportation does not relieve Job Corps centers of the obligation in R4.b above to permit students to engage in voluntary religious activities on center.
- e. **No Discrimination on the Basis of Religion**
- In providing Job Corps services, Job Corps centers must not discriminate against or favor a current or prospective student on the basis of religion or religious belief or lack thereof. This requirement does not preclude Job Corps centers from accommodating religion or religious belief (e.g., permitting exemptions from certain Job Corps center rules for students based on religious reasons) nor does it require Job Corps centers to give similar treatment or exemptions to students who desire “accommodations” for reasons unrelated to religion or disability (see R2 above for information about accommodating students with disabilities). Job Corps centers are permitted to supervise on-center religious activities as appropriate to maintain good order and discipline, so long as Job Corps centers do not rely upon the religious (or nonreligious) nature of an activity, or student gathering, in choosing which activities or gatherings to supervise.
- f. **Prohibited Activities**
- The following activities are always prohibited on center, regardless of any religious motivation.
1. Acts of violence
 2. Animal sacrifice
 3. Performance of curses, hexes, or other rituals or actions intended to harm others

4. Public nudity
5. Acts of self-mutilation or infliction of bodily harm
6. Use or display of weapons
7. Exclusion by race, ethnicity, color, or national origin
8. Sexual acts
9. Use, possession, or sale of controlled substances as defined under the Controlled Substances Act; being under the influence of, using, or possessing any narcotic drugs, hallucinogens, marijuana, barbiturates, or amphetamines; operating a motor vehicle while under the influence of alcoholic beverages; and being under the influence of or using alcoholic beverages
10. Possession of unauthorized goods, as defined in the Job Corps regulations at 20 CFR 670.120, which include:
 - (a) Firearms and ammunition
 - (b) Explosives and incendiaries
 - (c) Knives with blades longer than 2 inches
 - (d) Homemade weapons
 - (e) All other weapons and instruments used primarily to inflict personal injury
 - (f) Stolen property
 - (g) Drugs, including alcohol, marijuana, depressants, stimulants, hallucinogens, tranquilizers, and drug paraphernalia except for drugs and/or paraphernalia that are prescribed for medical reasons
 - (h) Any other goods prohibited by a center operator in a Student Handbook
11. Coercion or harassment of anyone based on religion or lack thereof

g. When Federal Support May Be Used to Support Inherently Religious Activity

Except as described in this PRH, Job Corps centers must not use direct federal support for inherently religious activities such as worship, religious instruction, or proselytization.

At Job Corps facilities where there is such a degree of government control over the program environment that religious exercise would be significantly burdened absent affirmative steps by Job Corps operators (such as at isolated Job Corps facilities), program officials may take affirmative steps to ensure that program beneficiaries are able to exercise their religious freedom, including the use of direct federal support to provide access to religious services and activities where necessary to ensure the opportunity for exercise of religious rights. Indirect federal support – e.g., support received due to the exercise of genuine and

independent choice by a Job Corps student – is not subject to these restrictions on providing Department of Labor (DOL) support to inherently religious activities.

Note: Center supervision of students engaged in religious activities and gatherings, to the extent such supervision occurs in a manner consistent with center supervision of students engaged in nonreligious activities and gatherings, does not constitute federal “support” for religious activities.

h. **Religious Organizations Must Be Treated on a Basis Equal to That of Other Organizations**

Religious organizations are eligible on the same basis as any other organization to participate in Job Corps programs or activities. Job Corps centers must not discriminate against or favor an organization on the basis of the organization’s religious character or affiliation or lack thereof. Religious organizations that participate in Job Corps programs must be permitted to maintain their religious identity. Religious organizations are permitted to use their facilities to provide services to Job Corps without removing or altering religious art, icons, scriptures, or other religious symbols from those facilities.

R5. Applicant/Student Complaints

Job Corps centers must develop and implement systems to respond to complaints of discriminatory treatment of students or applicants, or violation of civil or religious rights, which include the following features:

- a. A designated, trained Equal Opportunity Officer who will:
1. Assist students and applicants in filing complaints with the center or with the DOL Civil Rights Center (CRC).
 2. Attempt to informally resolve complaints filed with the Job Corps center.
 3. Document all complaints filed with the Job Corps center (including keeping a complaint log) and all actions taken in connection with complaints.
 4. Provide center-wide training and publicity.
 5. Ensure that student complainants are not subjected to retaliation or other adverse treatment.
 6. Provide written notice of students’ right to file complaints, and written guidance to assist students in filing complaints.
 7. Advise students of appeal rights and procedures.
 8. Serve as the center’s liaison with CRC.
 9. Monitor and investigate the Job Corps center’s activities to make sure the center is complying with its nondiscrimination and equal opportunity obligations.
 10. Report directly to the appropriate official about equal opportunity matters.
 11. Undergo training to maintain competency.

- b. Complaint resolution procedures as specified in Appendix 602 (Civil Rights and Nondiscrimination).

R6. *Access to Legal Services*

Job Corps centers must provide students with information about the availability of legal assistance within the community at no cost to Job Corps, for those charged with a felony or misdemeanor.

R7. *Student Legal Obligations*

Job Corps centers must assist students in resolving minor legal obligations and civil fines or court-ordered restitution.

R8. *Student Tort Claims*

Job Corps centers must:

- a. Advise students of their status as federal employees for purposes of the Federal Tort Claims Act, 28 CFR Part 15 and 20 CFR 670.905.
- b. Assist students in submitting claims to the Regional Office for damage, loss, or destruction of personal property, when the property is under the control and custody of the center, in accordance with the Federal Tort Claims Act, 28 CFR Part 15, in accordance with procedures described in Appendix 602.

QUALITY INDICATORS

- Q1. The environment is free of harassment, intimidation, and discrimination.
- Q2. Students understand their rights and can describe the process for making a complaint of discrimination or harassment.
- Q3. Students understand and are satisfied with their ability to exercise their rights to religious freedom on and off center.

6.9 STUDENT SUPPORT SERVICES

PURPOSE

- P1. To provide students with the opportunity to exercise their voting rights.
- P2. To ensure that students receive basic support services necessary for a comfortable enrollment.

REQUIREMENTS

R1. *Voting Rights*

the program Center Accessibility Tool (this document is available on the Job Corps Disability website).

- c. Develop an accessibility plan with priorities and next steps based on the results of the ADA Checklist for Readily Achievable Barrier Removal and Center Accessibility Tool. The plan will be used as a tool for center staff to think about the simple things that can be done to ensure that students with disabilities can access/participate in the program on an equal basis with students without disabilities. This plan is not intended to be used to determine compliance for new construction or facilities being altered and is separate from the center's facility survey requirement in PRH 5:5.10.
- d. The accessibility plan will be reviewed and updated annually by June 30th (see Exhibit 5-2).
- e. The safety and facilities maintenance staff should play a primary role in completing the plan with support from managers in all areas.
