

October 26, 2021

**DIRECTIVE:           JOB CORPS DATA CENTER NOTICE NO. 21-065**

FROM:                Job Corps Data Center

SUBJECT:            Job Corps Updated COVID-19 Safety Protocols FAQs

**This notice is distributed to: All National Office Staff; All Regional Office Staff; All Center Directors; All Operators; All Center Users; All Support Contractors; All Contractors; All OA; All CTS**

In October 2021, Job Corps issued four new Program Information Notices (PINs) installing new COVID-19 safety protocols and allowing for the resumption of traditional enrollment under those protocols. Job Corps has received a number of questions about the implementation of these PINs in coordination with Job Corps' existing COVID-19 guidance and practices.

The attached FAQs answer many—but not all—of the questions we have received from staff and students.

This FAQ document will be available on the Job Corps Community Website as well as the PRH website shortly, next to PIN 21-02.

**ATTENTION: Please do not reply directly to this e-mail notice. If you have questions about this notice, inquiries should be directed to the appropriate Contracting Officer's Representative (COR) and Contracting Officer (CO).**
