In December 2021, Job Corps issued Program Information Notice (PIN) 21-07 requiring testing of all returning students to center after winter break. Job Corps has received a number of questions about the implementation of PIN 21-07 in coordination with Job Corps' existing COVID-19 guidance and practices.

The attached FAQs answer many—but not all—of the questions received from staff and students.

This FAQ document will be available on the Job Corps Community Website, as well as the [PRH website](#) shortly.
