## PAST PSYCHOLOGY INTERN COMMENTS

*"I wanted to gain experience running groups as well as individual therapy. I was able to run year long groups and also keep impressive amount of individual therapy cases."*

*"As my 3<sup>rd</sup> year practicum placement, I wanted to gain experience working with wide range of clients. I definitely got that here at Job Corp. This site is like college counseling center but the students have a wider range of issues and therapeutic needs."*

*"It was important to me to work in a multidisciplinary and interdisciplinary setting. This site definitely provides that and other professionals look to consult with you on regular basis."*
